

Lumineers-

As a **LUMINEERS provider**, I can give you the look you've always wanted with LUMINEERS Cerinate porcelain veneers. The innovative technology of Cerinate porcelain means they're contact lens- thin and translucent so you can:

- **Fix spaces and chips**
- **Lengthen short teeth**
- **Mask tetracycline stains**
- **Whiten permanently**

**I can apply LUMINEERS** with a revolutionary procedure. Just think....

- **No shots\***
- **No drilling of healthy tooth structure\***
- **A younger, beautiful, natural- looking smile in only two easy dental visits**
